

Syllabus for Summative Assessment-II for VI to IX and Half yearly Exams to X

- As per the GOMs NO 82 Summative Assessment-II should be conducted to VI to IX classes, for 80 marks in each subject. No need to add internal assessment marks.
- Subject wise achievement of grades should be calculated for 80 marks and only grades should be posted in progress cards.
- For VIII class Science is divided into two papers, i.e., PS for 40 marks and BS for 40 marks
- For IX class except Hindi (80 marks) all other subjects should have two papers each for 40 marks. (Question paper format in each subject is as explained in the teleconference to all the subject teachers)
- Syllabus for all the classes is from June to December (weightage : 40% to lessons covered before Summative assessment-I and 60% to lessons covered after Summative assessment-I)
- For IX and X classes syllabus is given under.
