Sir / Madam,

All the District Educational Officers are informed that, the proposals regarding re-allocation of budget from one DDO to another DDO are frequently receiving by this office, due to more distribution to some of the DDOs and less distribution to some of the DDOs distribution of budget 2017-18 in CFMS portal by SCOs level.

Hence, they are requested to find out the re-allocation of budget, where necessary and send the proposals on or before 25.11.2017 at a time, so as to enable to re-allocate the budget from one DDO (who is having more budget) to another DDO (who is having less budget).
