Respected Sir / Madam

**Subject: Require Permission to implement the Project Udaan**

**Greetings from Adani Foundation!**

We find immense pleasure in informing you that Adani Foundation has launched project **Udaan** in the year 2010, to Ignite & Inspire Young Minds to Dream Big. The exercise stimulates the young minds to help them become entrepreneurs, innovators and achievers of tomorrow and thus play an active role in the process of nation building.

#### About the Project

Udaan is a project inspired by the lifechanging story of Mr. Gautam Adani, the Chairman of the Adani Group. As a kid, Mr. Adani had visited the Kandla port in Gujarat, and after looking at the expanse of the port, he dreamt of having his own port one day. The rest is history.

Project Udaan is a learning-based initiative focused on the youth of the nation. Under this project, an exposure tour is organized wherein students are given a chance to visit the Adani Port, Adani Power & Adani Wilmar facilities at Adani Group site, to get an insight into the largescale business activities carried out there. The major objective of organizing such visits is to encourage the young minds to develop an interest in all sorts of enterprises and to encourage them to dream big in life. The Adani Foundation believes that when young students are given exposure, it helps them to understand their own potential and get motivated to work towards the same.

#### Achievement as of now

Since 2010, around 3,60 Lacs young students have so far visited our facilities across all locations (India).

#### Project Sites in India

Mundra (Port, Power, Wilmar), Hazira (Port, Wilmar), Dahanu (Power), Kawai (Power), Tiroda (Power), Dhamra (Port), Sardar Vallabhbhai Patel International Airport- A'bad (Airport) **Proposed project sites:** Krishnapatnam (Port, Wilmar), Katupalli (Port)

#### Role and Responsibilities of Adani Foundation

Under the project Udaan, exposure tours will be organized wherein school and college students (technical and nontechnical) are given a chance to visit the Adani Group facility such as Adani Port at Krishnapatnam and Adani Wilmar Limited (1 day educational trip) to get an insight into the largescale business operations and thus get inspired to dream big in life. Note we provide pick and drop from Institute's location for all Government and Grant in aid schools.

#### No. of students who can visit Krishnapatnam Site in a year 22-23

Participants	Krishnapatnam Site
No. of Visits per year (or visit days per year)	50
Total No. of students (school, college)	1900 (students) + 100 (faculty members)

### General Guidelines

- One AC bus carrying a maximum of 38 students and 2 teachers (38+2 in each bus) starts
  - For schools/colleges situated within 50 km from Krishnapatnam Port, the allocated pickup location will be their respective campuses, else Adani Foundation will decide the pickup locations.
  - It is mandatory to duly fill the following documents and submit to the head office and follow all the instructions and guidelines prepared by Adani Foundation which we share before the visit.
1. Letter of Undertaking (in the letterhead of school/college with authorized signature & seal)
  2. List of Participants (with authorized signature & seal in given format by Adani Foundation)
  3. Consent Letter from Parents
  4. Guidelines and Instructions (authorized signature & seal)

### Nominal participation Donation

The Adani Foundation is pleased to bear the entire expenditure of travel, food for the visit. We provide T-shirt, Cap to the participants as a souvenir.

Only a nominal participation donation is solicited from the participants given as below

Site	Pickup From	nominal participation Donation from per student			
		Govt. School	Grant-in-aid School	Self-Financed School	All type of colleges
Krishnapatnam	From Campus	Rs 0	200 to 300 Rs. per student	400 to 500 Rs. per student	400 to 500 Rs. per student
• GST 18%					

Also, we finalize the project's budget in month of March for respective site. Entire visit is/will be managed by Adani Foundation.

### Roles and Responsibilities from School Board, Higher Education Technical / Nontechnical department

- Govt. education department will recommend the project Udaan's details to all the technical & non -technical colleges / universities/ all type of schools (9th to 12th Standard) like Govt., Grant in Aid, Self-financed; so, principals/provost/placement officers can approach us, and we can schedule the education trip for their students.
- Higher / Technical / School Education department will support us to arrange online and offline seminar to introduce the project Udaan and other initiative of Adani Foundation to above mentioned educational institutes.
- Education department will support to such educational institutes in case of any permission or approvals.

We invite you to collaborate with us in this noble cause of national importance. We are looking forward to implementing Project Udaan at Krishnapatnam site. We seek your permission and support to carry out this project in your education institutes.

With Warm Regards,

**Jignesh R. Vibhandik,**  
**National Project Manager,**  
**Adani Foundation**
